

Bike racks waiting at the County Highway Shed for installation.

Waiting for the snow to melt to install the bicycle racks at the County Courthouse.

Method 1 locks the front wheel and frame. Use a cable to secure the rear wheel.

Method 2 locks the quick release front wheel alongside the frame and rear wheel.

Adapted from the Chicago Bike Map

Racks are installed at the following County facilities/property:

- Courthouse
- UW-S
- Health & Human Services
- Law Enforcement
- Detention Center
- Airport
- Administration (spring of '10)
- Highway
- Taylor Park
- Veteran's Memorial
- Sunny Ridge
- Rocky Knoll
- Historical Museum
- Ag Building
- Marsh Park

Pretty simple, lean & lock.

After a long wait, the racks are finally installed at the County Courthouse.
