

**NONMOTORIZEDTRANSPORTATION PILOT PROGRAM  
PHASE 2 Data Collection, Level 1**

**Project Name** - Project #60 SASD School Traffic Calming

**Type of Project** - Infrastructure

**Scope** – Sheboygan Area School District Schools.

**Location** - Sheboygan.

**Design** – Various traffic calming solutions.

**Project Cost** - Est. \$451,950

**Project Purpose** - This project proposes to mitigate safety hazards currently located around thirteen of the public elementary and middle schools throughout Sheboygan. Having these traffic calming facilities provides the necessary infrastructure to encourage and allow safe bicycle/pedestrian commuting near Sheboygan's schools. Proposed areas are those identified from the Bicycle Federation of Wisconsin's Safe Routes to Schools Comprehensive Safety Audits. This work was performed using NMTTP funds. Many time plans are created, but not implemented. These proposed projects would be a great example of creating a plan and then implementing the suggestions.

**Estimated Level of Use Including Target Audience** - City of Sheboygan.

**Period of Performance and Timeline** – 2010 thru 2012.

**New or Continuation** - Project is new.

**Leveraging Of NTPP and Other Revenue Sources** - N/A.

**This will include Level 2 and Level 3 data collection** - N/A.
