

## SEWRPC Plant Communities on Amsterdam Dunes

Community #	# Native sp./# Invasive sp. I/%	Size (Acres)	Description
1	24/1/4	0.6	Second growth Southern Mesic Forest on steep ravine slopes
2	56/12/21	2.5	Barr Creek floodplain-wetland complex
3	32/10/31	1.3	Bluff face and xeric grassland on terrace below the bluff
4	34/7/21	1.5	Second growth Southern Mesic Forest on bluff toe and slope
5	108/18/17	18.5	Barr Creek dunes, dune tops, wetlands, swales
6	29/3/10	2.8	Second growth Southern Mesic Forest on dune tops
7	34/12/35	1.8	Old field and upland thicket
8	47/8/17	4.8	Second growth Southern Mesic Forest on bluff top and seeps
9	28/5/18	2.3	Dry sand dunes and scattered thickets and forest
10	45/23/51	0.7	Grassland and upland thicket
11	18/4/22	0.4	Fresh meadow, shrub-carr, willow thicket
12	62/6/10	6	Second growth Southern Mesic Forest on deep ravines
13	21/9/43	1.5	Second growth Southern Wet Mesic Hardwoods
14	104/22/21	9	Second growth Southern Wet Mesic Lowland Hardwoods
15	55/17/31	1.5	Upland thicket and scattered trees on bluff face
16	68/13/19	3	Second growth Southern Mesic Hardwoods on steep bluff
17	20/7/35	0.5	Conifer plantation
18	9/5/56	0.1	Fresh meadow at base of bluff
19	50/28/56	1.3	Former lake bluff, old homestead site
20	46/25/54	1.8	Grassland, disturbed upland hardwood at old homestead site
21	33/8/24	0.3	Disturbed upland woodland and thicket
22	65/4/6	5.5	Fresh meadow, lowland hardwoods, shrub-carr, sedge meadow
23	23/4/17	1	Disturbed upland woodland
24	26/9/35	0.5	Dune top disturbed woodland, grassland, thicket
25	96/24/25	14.3	Second growth Southern Mesic Forest along tributaries
26	22/4/18	1	Second growth Southern Wet Mesic lowland hardwoods
27	34/10/29	3.3	Wet to wet mesic lowland hardwoods, disturbed upland hardwoods
28	55/14/25	1.5	Second growth Southern Wet to Wet Mesic lowland hardwoods
29	38/9/24	0.8	Second growth Southern Wet to Wet Mesic lowland hardwoods
30	30/4/13	1	Second growth Southern Wet to Wet Mesic lowland hardwoods
31	60/11/18	8.5	Pine-oak xeric woods
32	40/6/15	8.8	Lake dunes and beach
33	67/11/16	9.8	Second growth Southern Wet to Wet Mesic lowland hardwoods
34	47/4/9	1.5	Second growth Southern Mesic Hardwoods
35	18/2/11	1	Groundwater seeps along bluff face
36	72/12/17	10.5	Second growth Southern Mesic Forest along tributaries
37	54/11/20	10.3	Second growth Southern Wet to Wet Mesic lowland hardwoods
38	22/2/9	1.5	Second growth Southern Mesic Hardwoods
39	40/7/18	0.8	Second growth Southern Wet to Wet Mesic lowland hardwoods
40	13/8/62	0.8	Fresh meadow
41	24/5/21	1	Second growth Southern Mesic Hardwoods
