

TOWN OF MOSEL SINGLE STREAM RECYCLING PROGRAM

The Town of Mosel has switched its recycling program to the Wisconsin DNR's newly approved "Single Stream" Recycling Program. Now you can put **ALL** your recyclable items together in the **BLUE** recycling bag. *All of your glass, plastic bottles, aluminum cans, tin cans, papers, junk mail and small broken down cardboard can be mixed together in a single blue recycling bag.* Newspapers and Magazines no longer need to be bundled and tied. You may place them in the blue recycling bag along with all your other recyclable items. Larger cardboard box's should still be broken down and placed in the recycling container. All trash must still be kept separate and placed in a **CLEAR** bag in the trash container. Do not mix trash and recycling items together in the same bag.

The following items MAY be placed in the BLUE bag:

- * Aluminum Cans
- * Tin Cans
- * Glass Bottles & Jars
- * Newspapers
- * Magazines
- * #1-7 Plastic Bottles & Jugs
- * Junk Mail
- * Shredded Paper
- * Brown Paper Bags
- * Broken Down Cardboard (larger box's please break down)

The following items MAY NOT be placed in the BLUE bag. Place in CLEAR trash bag.

- * Plastic Grocery Bags
- * Plastic Toys
- * Household Trash/Garbage
- * Polystyrene
- * Styrofoam
- * Window Glass
- * Light Bulbs
- * Dishes

If you have any questions, please call Veolia's Customer Service at 458-6030.

TOWN OF MOSEL TRANSFER STATION

MATERIALS NOT ACCEPTED IN TRASH CONTAINERS

- Hazardous Wastes (see other side)
- Yard Wastes
- Tires
- Freon items
- Appliances
- Computer equipment/printers
- Fluorescent tubes/fluorescent lightbulbs/ ballasts
- Hot Ashes
- Large Quantities of Construction Waste (more than one garbage bag or can)
- Recyclable Materials, including paper, cardboard boxes, plastics, etc.
- Propane, LP, Gas, & Oxygen tanks, Hydraulic Cylinders, etc.

Materials which are not burnable by state law, and are accepted, include: certain non-recyclable plastics, treated lumber, lead painted lumber, glued lumber products, and asphalt shingles (the later items are considered construction waste and are subject to the restriction above). TV's (with screen busted out or heavily taped) and microwaves will also be accepted in the trash container. Ashes from a burn barrel will be accepted if they are in a plastic bag. Residents may contact Veolia's Customer Service at 458-6030 for personal pick-up/disposal of most items not accepted at the transfer station.

MATERIALS NOT ACCEPTED IN SCRAP METAL CONTAINER

- Capacitors
- Ballasts
- Light Bulbs (all types)
- Microwave ovens
- Mounted tires
- Ammunition (used or unused)
- Newer appliances that are mostly plastic.
- Computer equipment/printers
- Television sets
- Items/Appliances with freon

MATERIALS ACCEPTED IN SCRAP METAL CONTAINER

- Steel, aluminum, galvanized, and cast iron items
- Bicycles (acceptable with tires and seats)
- Lawn mowers & snowblowers (all gas and oil drained completely, tires removed)
- Oil Filters (ONLY IF they are hole punched and well drained, otherwise place in trash dumpster)
- Subject to change, non-freon appliances are currently being accepted
- Sealed units: propane tanks, freon tanks, hydraulic cylinders, air tanks, gas tanks, and units under pressure or containing oils – Units will be accepted only if cut open and crushed
- Compressed gas & oxygen bottles: Bottles must be drained, properly cleaned and one end of the container removed
- LP Tanks: completely purged and/or shot blasted to remove all residual chemicals
- Gas tanks: Drained and punched with a minimum of six holes on each side
