

Your septic system will become due for the maintenance requirement three (3) years from the latest date of servicing/inspection reported to the Sheboygan County Planning & Conservation Department. If no reports are received by the third year, you will be sent a First & Final notice to have maintenance completed. To check the records for your system, please call 920-459-3060.

**PLEASE KEEP THIS NOTE WITH YOUR
CALENDAR AS A SERVICING REMINDER**

(Update servicing information as needed)
