

To check your child's immunization record:

1. Type in <http://dhfsWIR.org> in the Internet address bar.
2. Hit the enter key.
3. Click on Public Immunization Record Access.
4. Enter your child's first and last name, birth date (month/day/year - MM/DD/YYYY), Social Security number **or** Medicaid number (*all* areas must be entered to access site).
5. Click on search button on top right corner of page.
6. Your child's immunization record will appear. You can see what immunizations your child has had, and what immunizations are due.
7. If you are having difficulty accessing the site, it may be because the Social Security number or Medicaid number for the person has not been stored in the registry. Please contact your local health care provider or the Sheboygan County Public Health Office with this information so it can be entered.
